Thank you Brenda Cook and Lorayne Henderson for the work that went into Big/Little Sister tournament, even though we didn't get to play. The snack bags will go to the Bring a Friend tournament.

We are still looking for a Turkey Trot chair/s. All this involves is coming up with a game. It's up to the chair if they want to collect money for a goody bag or not.

It has been suggested that we no longer provide water bottles at tournaments due to the waste and the fact that most people bring their own chilled water bottles or drinks. Jane polled the members with a show of hands, it was voted to no longer providing water bottles at any tournament as a general rule.

**Marshaling**

**Alyce Stanwood**

Alyce asked for volunteers to help marshal our rounds. We are using the Green/Yellow/Red flag system created by Alyce Stanwood. This is only to help keep players on pace. We have found that people have found it helpful to know if they need to speed up a little. Nobody is going to "speak" to you or make anyone feel bad – it's just a gentle nudge. People who volunteer will receive a free nine-hole round after

marshaling three times. A sign-up sheet was passed around to sign up to be a marshal. Some ideas were also discussed of ways to keep up with the pace of play.

- Drop off your cart buddy and then go to your ball.
- Keep up with the group ahead of your group.
- Keep the Chit Chat to a minimum.

It is Better Pace – not Hurrying up. Being more consistent move forward vs waiting. Plan your shot as you move.

Alyce has a new definition of Golf – “Go Onward Lincsters Forever” 😊
