## 2022 Executive Board

*Captain - Vacant*

*Co-Captain - Vacant*

*Secretary – Jane Hall*

*Treasurer – Brenda Cook*

*Past Co-Captain – Kim Schutz and Judy Josse (not voted)*

### Updates:

- Membership Renewal Form is available and due by November 30<sup>th</sup>, 2021
- Liability form to be completed with membership renewal this year
- Course Information from Ryan Peterson General Manager LHGC

Proposed Tournament dates for 2022 below.

We are looking to make a change in the Club Championship. After many years of surveys, and committees, and enormous effort to solicit participation in the Club Championship tournaments, Lincsters have continued to struggle to play in this Tournament.

The proposed change:

- There will **not** be a two-day tournament.
- Tracking through the year from Jan 1, 2022 – Aug 31, 2022, will be the qualifying period
- 12 regular playdays must be played to qualify.
  - (Same as the most improved golfer tracking).

At the end of the regular playdays. A Club Champion will be determined. (Low-gross and Low-Net).

Additional winners will also be identified for each Flight

Additional details are being worked out.

### Member Questions

Request to place the bathroom code on the score sheet. (Code: 1005 number)

## Announcements

### 2022 Executive Board

We need a Captain and Co-Captain for 2022.

Next week we start at 8:30 and have made a request to start at 1 in November –

Winter rules begin October 1, 2021. Possible 1 PM tee time is being requested beginning in November  
Membership renewal and liability forms to be completed with membership renewal. Forms available on the web page.

**Course update:** Sent to Kim from Ryan Peterson, GM. New assistant, Chad Bennett will join SCLH. See details below addressing items discussed include Dallas Grass, New Equipment, Tree work, Tee markers, Par 3 tee boxes, Landscape area, Restrooms and Bridges.

**Dallas grass** - going to be applying 3rd application next week to treat Dallas Grass on treetops and green surrounds, this will take a couple of years to really gain control on the infestation, we will be focusing on fairways next year in addition to the Tees and green surrounds.

- **New Equipment!** - expecting to receive new equipment soon which will make the appearance and playability much better and make for a healthier turf stand.
- **Tree work** - we will continue on trimming and limbing up trees this fall through spring in areas of play that will improve ball lie and playability.
- **Tee Markers** - planning on replacing tee markers with new updated more appealing markers this winter.
- **Bunkers** - will be planning renovation on select bunkers for new sand and drainage.
- **Par 3 Tee Boxes** - over seeding select par 3s this fall with rye grass for a better turf stand and recovery through cold months.
- **Landscape areas** – planning to bark monuments landscape areas and deer grass beds this winter
- **Restrooms** - looking into upgrading toilet paper holders and locking mechanisms for restroom doors.
- **Bridges** - we will be fixing areas that need attention on bridges for repair this winter.

#### **Orchard Hole 14 – GUR – Beavers**

As for the beavers the county is trapping there right now and trying to clear the water way so hopefully we get some relief soon on #14, since the water is high the ground is to wet to mow, I am eager as well to get this resolved, once the county gets control of the beavers in the area and clear the dams the area should dry out and we can mow again but this is a troublesome area that is a reoccurring issue every year so it's up to the county to be on top of it.

**Scott Hall** | Superintendent  
Lincoln Hills Golf Club

#### **Adjournment**

Hearing no further business, the meeting was adjourned at 2:19 PM.

Respectfully submitted  
Darlyne Giorgi for Jane Hall  
Secretary
