

TRAVEL TIPS
Hills Holes 10 - 18

To get to #10, 11, or 12 from the pro shop:

- Go past #1; cross the bridge; proceed to #2 tee box; and take the hard left up the hill.
- Go past #17; cross Del Webb and turn left. Stay on the sidewalk and follow the path around taking the left at the fork.
- Cross the street; follow the path past #8 and 9
- Cross the street and follow the path to #10, 11, or 12, whichever is your starting hole.

To get to #12, 13, 14, 15, or 16 from the pro shop:

- Follow the above directions. However, once you cross Del Webb, stay straight and proceed to your starting hole (FYI, #16 is the first hole you come to past Del Webb -- it's on your left).

To get to #17 from the pro shop:

- Follow above directions, but do not cross Del Webb. It's recommended that you drive past the men's tee to turn around, however, as it is much safer to do so there than by the red tee box.

To get to #18 from the pro shop:

- Go straight from the staging area (not left past the practice range) and proceed to the bottom of the hill.

To get to #10 from #18:

- Reverse course (perhaps after a restroom stop); turn left on the path just past #18 tee box
- Cross the bridge; and follow the directions spelled out in #1.
